Dear Giedre:

On behalf of The Irwin S. Chanin School of Architecture of The Cooper Union, I am pleased to offer you admission to the Master of Architecture II (post-professional) degree program commencing Fall 2019.

The Master of Architecture II (post professional) program was launched ten years ago, extending The Cooper Union's distinction as a community of scholars and practitioners fully committed to creative investigation and ethical practice.

As part of this offer of admission, you have been awarded a merit scholarship of \$37,860 for three semesters of study. In summary, the tuition charge for the 2019-2020 academic year is \$22,945 per semester, of which, there are three for your program. For each semester of study, you have been awarded a merit scholarship worth \$12,620. Therefore, your tuition charge will be \$10,325 per semester.

Should you accept this offer and enroll in the program, you will be required to complete the Master of Architecture II degree program in two full-time consecutive semesters of study, immediately followed by a thesis semester during summer 2020. This offer of admission cannot be deferred. Should you need a signed copy of this acceptance letter, please contact admissions at admissions@cooper.edu and one will be provided to you via email.

In order to reserve your place at The Cooper Union, please follow the enclosed instructions. **Although we must receive your response by Monday, April 1, 2019, we hope that you will contact us regarding your decision before then.**

The role of architecture in today's rapidly changing world has taken many forms, but the dynamic interaction between inventing and making, conceiving and constructing, remains its task and its challenge. We hope that you will join our Master of Architecture II program in addressing these and other issues of urgency to the discipline and profession. If you have any questions, please feel free to contact me (ntehrani@cooper.edu) or Associate Dean Elizabeth O'Donnell (odonne@cooper.edu) at any time.

I look forward to hearing from you and welcoming you to The Cooper Union.

Sincerely,

Nader Tehrani, Dean
The Irwin S. Chanin School of Architecture
of The Cooper Union for the Advancement of Science and Art
